### What We Offer

Have a wonderful party at GYMNASTICS WORLD, and make it a special event for your child and guests. We offer our entire facility to you for two hours of unforgettable fun activities on SATURDAYS AND SUNDAYS.

Children will enjoy playing games and participating in fun gymnastics activities while our professional instructors guide them through obstacle courses.

We will decorate the party room with colorful balloons ready for your arrival, and entertain the children for approximately 1½ hour of fun games, activities and gymnastics. The fun is limitless: Starting with stretching and warm-up, the children will go through challenging and tiring obstacles, and get to experience the fun blast of a 30 feet long trampoline, 20 feet climbing rope, and an 8 foot deep foam safety pit.

After all these exciting activities the children will enjoy cake, refreshments and any food that you may want to bring with you.

The Birthday Party room is available to your non-participating guests and parents for refreshments and food during children's activities. After the cake, we will help open the presents if you elect to do so and conclude the party by giving all children balloons & discount coupons.
